TOUR OF SAVEBOARD PLANT

Packaging NZ members are invited to tour the SaveBoard plant in Te Rapa on Thursday 1 December at 10.45 am, along with Simon Court, Act MP and Spokesperson for Climate Change and the Environment.

SaveBoard was opened earlier this year and is a joint venture business that upcycles packaging taking used beverage cartons, soft plastics and coffee cups and turning them into a type of construction board which can be used in place of plywood, particle board or plaster board.
